

There is an attractive air of vitality about all subjects with strongly contrasting tones. Both Selochrome and H.P.3 possess the ability to reproduce these striking effects without harshness or loss of detail.

## C.A. EXHIBITION.

YOUR best work is needed on behalf of the Club for this Exhibition. Please give us a fine show this year by sending to the Hon. General Secretary before MARCH 25th.

## COUNCIL REPORT.

A meeting of Council was held on Saturday, 6th December, 1947, the President, Mr. R. C. Leighton Herdson, in the Chair. Also present: Iestyn J. Rees, Barbara Wagstaff, Syd. H. Burch, Jack H. Hole, Reg. C. Elias, W. Lee Thomas, Alfred Esson, R. P. Jonas, Alick G. Wheeler, and Joan Lemmon.

As on the previous Wednesday the Editor of THE LITTLE MAN had undergone an operation at Whitworth Hospital, he was unable to attend this meeting. Letters of regret for non-attendance were also read from Dr. H. C. Simpson and Mr. Frank E. Ramsden.

Minutes of previous meetings of May 31st and September 13th, 1947, were read and confirmed as correct records.

Council considered the voting on the circular issued recently to all members of the club with respect to the draft of the new Article Twelve, which disposed of the Inter-Circle Competition in favour of the Gold Label Prints competition. This proposal had the unanimous support of the Annual General Meeting last September and of Council itself. The postal vote resulted in only two members bringing forward any objection to the change. Council therefore accepted the proposal and the new article becomes operative immediately. It was however pointed out that the correct title for the article was, as worded at the A.G.M., "THE GOLD LABEL COMPETITION FOR THE LEIGHTON HERDSON TROPHY."

Council approved the formation of a circle for colour workers. This first colour circle will be restricted to colour transparencies. Further information on this matter will be circulated later, but members who are interested in this class of photography should notify Mr. Jack Hole if they desire to take membership in the circle. The circle will be limited in membership as are all our circles.

Council decided that the office of Asst. Hon. General Secretary was no longer necessary and in place of this office set up a new Hon. Note Book Secretary. Mr. E. E. Evans, A.R.P.S. was elected to this post. The Note Book circulates continuously between circle secretaries and members of council.

The Librarian, who had previously circulated all the authors of this year's Gold Label Prints, reported that almost all had been willing for her to retain these prints in the library collection for the purpose of providing portfolios for circulation amongst our circles. It is hoped to get three or four collections into circulation almost at once. Council

expressed its appreciation of this genuine gesture by members. These prints will now serve a really useful purpose and will be enjoyed by many members of the club who could not attend the A.G.M. to view them.

The President expressed the hope that all our advanced workers would this year submit prints for the Central Association Exhibition. Entries should reach Mr. Jack Hole by March 25th at the latest.

It was decided to hold a May Rally, 1948, in London. This will be much on the same lines as in previous years. The Saturday morning with an informal meeting at the Royal to view the Central Association's Exhibition, the afternoon to attend the meeting for the projection of the accepted slides at this same exhibition, and it is hoped that during the evening it may be possible to arrange for a theatre party. Members will receive a circular on this matter in due time. There would also be the usual Sunday morning ramble.

It was decided that the club would also support the R.P.S. Conference at Bristol on February 28th and 29th, 1948.

The following committees were appointed. *Finance*: R. C. Leighton Herdson, Syd. H. Burch (Convener), Iestyn J. Rees, Barbara Wagstaff, Jack Hole, George Farnsworth, Alfred Esson, and E. E. Evans. *Exhibition Committee and Competition Committee*: Jack Hole (Convener), E. E. Evans, W. Lee Thomas, R. P. Jonas and George Farnsworth. The following appointments were made:—*Hon. Editor*, George Farnsworth; *Hon. Librarian*, Barbara Wagstaff; *Hon. Record Secretary*, Joan Lemmon; *Hon. Note Book Secretary*, E. E. Evans.

The Hon. General Secretary gave a full report on all the circles of the Club. Membership now stands at 422.

Council considered STANDING ORDERS 1947/48 and adopted those of 1946/7 with the exception that Hon. Note Book Secretary was added in place of Hon. Asst. General Secretary, now discontinued.

Council recorded its congratulations to two members of Circle Eleven who had attained the Fellowship of the Royal Photographic Society, R. C. Leighton Herdson and Dr. R. G. W. Ollerenshaw. Both are well known members and have for many years taken a very active part in the work of the Club.

The President also mentioned that he had been particularly pleased to notice that so many members of this club had recently taken up membership of the Royal Photographic Society. He hoped that all these progressive

members had taken this step with the determination to pursue their studies and to strain every effort to secure the Associateship. If that were the case then there could be no doubt that their R.P.S. membership would be a very real inspiration to them in the future. He hoped that next year we might see many of these keen workers add the coveted letters to their names, and he wished them success in their efforts.
