Important Notice about email scams

Watch out for those tired old 'substitution' email scams, they are doing the rounds again.

What happens is that you get an email from someone pretending to be an officer of your club or your Federation and they are asking you for some kind of help, financial of course. Recent ones targeted our Federation President.

*Note, **emails are not being hacked.** They just pretend to be someone else by covering up the actual sending email address. The latest emails came from mailing79joo@gmail.com but a familiar name is being used to disguise that bit.*

Report all such emails by forwarding them to: report@phishing.gov.uk
